### Dr. Thomas Enders delivering a speech at TU Munich

The TUM Speakers Series, organized by the TUM Business Club, welcomes Dr. Thomas Enders, who will deliver a speech taking place the 21st of May at 7 pm in the Audimax at the Technical University of Munich.

Following a welcoming address by Professor Wolfgang A. Herrmann, President of Technische Universität München, Dr. Enders will speak on the subject of "Rocket science, moon shots and the dream of flying. How you can turn your wildest dreams into concrete actions in the aerospace industry." He will look in particular at current and future challenges for starting your career in the aerospace industry. Dr. Enders will give an overview of the development of the aerospace industry and talk about his own role at Airbus Group. He will also present insights into exciting future developments and challenges related to increased digitalization and the entry of companies such as Google into the aerospace industry.

The talk will be followed by a full discussion in which all audience members are warmly invited to participate with questions.

Topic: Transformation of the Global Energy Markets  
Date: Monday, 1st of June 2015  
Time: 6.15 pm, free entrance  
Place: Audimax, Arcisstraße 21, 80333 München

#### Dr. Thomas Enders:

He was appointed Chief Executive Officer (CEO) of Airbus Group on 1 June 2012, after having been CEO of Airbus since 2007. Before that he served as Co-CEO of EADS between 2005 and 2007. He was Head of the Group's Defence Division from 2000 to 2005. Prior to joining the aerospace industry in 1991, Enders worked, inter alia, as a Member of the "Planungsstab" of the German Minister of Defence and in various Foreign Policy think tanks. Enders was President of the BDLI (German Aerospace Industry Association) from 2005 to 2012. He has been a member of the BDI Board (German Industry Association) since 2009. From 2005 to 2009 he was Chairman of the Atlantik-Brücke e.V. In 2014, Enders joined the Advisory Council of the Munich Security Conference as well as the Senate of the Max-Planck-Gesellschaft. Since 2011, Tom Enders has been a member of the Business Advisory Group of U.K. Prime Minister David Cameron.

#### The TUM Speakers Series:

The TUM Speakers Series is a series of events at TUM, which is completely organised by students for students, always offering top-class speakers.

This year, we celebrate our 15th jubilee. Therefore, we would be delighted if we could draw your interest. Please take the opportunity to get an idea of our event, as well as of our organization.
